

# CINDY PEASE ROE ENVIRONMENTAL ARTIST

cinroe@gmail.com | 646-812-5376  
@upsculpt | @cindypeaseroe

## SNAPSHOT

An artist with a mission, marine advocate, motivator, communicator and founder of UpSculpt, a socially disruptive educational movement. | Able to bridge diverse disciplines to create a common purpose. Extensive personal network of experts in the environmental, corporate, scientific and art fields to create collaborative solutions to sustainability issues.

## UPSCULPT | Founder & President

UpSculpt is the act of combining, upcycling and sculpting to create environmental conscious art to generate thought provoking conversation. UpSculpt is a call to action. | A 501 C3 Nonprofit Corporation with the goal to educate and engage the public to the negative issues surrounding marine plastic pollution, initiate the removal and see the value of what this debris can be.
